

lucitelux® metropolitan

LuciteLux® Metropolitan is the latest stylish addition to the Lucite International portfolio.

Taking its inspiration from the sleek and sophisticated urban style of the great cities of the world - LuciteLux® Metropolitan oozes with cool, contemporary, city chic.

High Definition

LuciteLux® Metropolitan is a unique new material that combines a beautifully transparent sheet with a striking and highly defined edge effect to create the ultimate city style.

Available in a choice of four monotone edge colors, LuciteLux® Metropolitan offers the perfect color collection to help you create your own urban appeal;

- Manhattan Black – a deep intense black with high definition
- Moscow White – a subtle white to lighten the mood
- London Grey – a sophisticated grey to add texture and depth
- Tokyo Brown – a contemporary brown to warm the palette
